

Bike Valet Guardian

Get to know this role:

Chico Velo's mission is to foster and promote bicycling for transportation, recreation, health and wellness. Our organizational priorities include:

- Advocating for bicycle safety and infrastructure
- Supporting bicycling education & awareness
- Providing stewardship and volunteer opportunities within the community
- Promoting Northern California as a bicycling and recreation destination
- Cultivating diversity, through equity and inclusion, within the organization and in our work throughout the community

Bike Valet Guardians are fun and physically active positions that bring Chico Velo's beloved bike valet program to community events. Offering free and secure bike parking encourages more people to ride their bikes rather than drive a car- reducing traffic congestion, greenhouse gas emissions, and improving health and wellness. Bike valet has become a staple at the Saturday Farmer's Market, large events at local breweries and other venues, Chico Velo events, as well as private events. The Bike Valet Guardian is responsible for executing bike valet services, including pre- and post-event needs and delivering a secure and friendly experience for riders. This role engages directly with the public and is perfect for someone who enjoys meeting people and sharing excitement for bicycles. ***Bike Valet Guardians usually work in teams of two but may be responsible for guarding solo at small/short events.***

What you will do:

- Execute Bike Valet Services
 - Gather, transport, and setup bike valet equipment to create a secure bike parking area
 - Park bikes in a safe, secure, and organized manner for the duration of the event or until riders return to pickup their bikes
 - Breakdown bike valet area and return equipment to storage
- Share educational resources, marketing materials, or other relevant information to riders about Chico Velo programs, events, or activities (all information provided by Chico Velo)
- Relay community feedback regarding bike valet and/or Chico Velo to staff/board of directors
- Provide suggestions and solutions to improve the bike valet program
- Alert staff/board of directors with bike valet equipment needs or repairs

Please apply if you:

- Have a valid driver license and insured vehicle that can transport bike valet equipment
- Are available to work weekends and evenings
- Enjoy meeting new people and supporting community events
- Can work independently with little direction and problem solve when needed
- Can comfortably lift 35 lbs
- Are looking for a physical position that may require standing for extended periods of time and working in outdoor environments throughout the year
- Possess strong time-management and interpersonal skills
- Appreciate bikes as much as we do!

Work Environment & Physical Demands

This role is mostly working in an outdoor environment that may be exposed to a variety of weather conditions. While performing the duties of this role, the employee is regularly required to sit, stand and/or walk for extended periods of time and go up and down stairs.
